

**D. DEPARTMENT OF AIDS CONTROL
(AIDS NIYANTRAN VIBHAG)**

1. Inter-sectoral, inter-organisational and inter-institutional coordination, both, under the Central and State Governments in areas related to HIV/AIDS control and prevention.
2. Providing institutional framework for high end research for control, prevention, cure and management of HIV/AIDS and all coordination in this regard.
3. Dissemination of accurate, complete and timely information about HIV/AIDS to motivate, equip and empower the people and promotion of measures for effective protection against the spread of the disease.
4. National AIDS Control Organisation (NACO).
5. International co-operation, exchange programmes and advanced training in HIV/AIDS management and research.
6. Promoting research studies in the field of HIV/AIDS prevention.
